

## **Job Description**

Fabricator needed for our machine shop.

Hour:

Monday through Thursday 7am until 4:30pm

Friday 7am until 3:30pm

Experience in:

- press-brake setup / run
- shearing
- single station punching
- turret punching experience.

We have 3 press brakes in house,

1 Ermak 130 ton 10ft bed CNC,

1 Amada 50 ton CNC,

1 Amada 25 ton manual.

We have Amada equipment for the single station and turret punches.

Any Tig / Mig welding experience in combination of the above would be a PLUS..

Job Type: Full-time

Salary: \$18.00 to \$21.00 /hour
